SE Report

GANGTOK,
June 24: The Rabongla sub-divisional authorities have refuted the claims that no officials visited the slide-affected area in

Khop ward as published in this newspaper on Sunday.

According to the Rabongla authorities, revenue inspector Nirmal Chettri reached the affected area early morning and took stock of the damages to the houses and land. He was accompanied by the local panchayats and villagers.

Relief in form of tarpaulin and polypipes were

immediately distributed to the affected families of Khop, and a report was also submitted to the higher authorities.

It was informed a team of engineers and sub-divisional officials would be again visiting the affected area at Khop tomorrow for technical assessment of the damages. Based on the report, ex-gratia would be disbursed to the affected families.
