**SDM led team accesses
damage caused by Road
Widening at Mantam**

Wangchuk Bhutia
Dzongu, June 27

The joint inspection was conducted today regarding damages of land and crops for the public of Sangkalang Mantam ward under Lingthem Lingdem GPU of Dzongu North Sikkim.

The damages was caused by the broadening of road by Roads & Bridges Department, North and also due to incessant rain since last few days.

The inspection was led by Sub Divisional Magistrate, Dzongu, Tshering Dorjee Bhutia in presence of Zilla /Gram Panchayats of Lingthem Lingdem GPU, officials from the Roads & Bridges Department North,

Housing Deptt North, Officials from the Horticulture Deptt, Revenue Officials from Dzongu Sub Division, concerned Government Contractor, Rajesh Agrawal & the affected public of the area.

The public grievances were heard patiently by the stake holders and assured that they would solve the problem amicably at their end. Direction has been given to the contractor to provide necessary plastic tarpolines to the affected land owners for protection of their land from further soil erosion due to incessant rainfall.

However the detail report will be submitted to District Collector North & Divisional Engineer (R&B).
