VOLUME - III

FINANCIAL BID & PAYMENT SCHEDULE

IMPORTANT NOTE FOR FINANCIAL BID OF ITEM RATE TENDER FOR EXECUTING MITIGATIONS OF MANGAN LANDSLIDE AT NORTH DISTRICT HEADQUARTERS- MANGAN, NORTH SIKKIM.

1. The Financial Bid must cover all items of works involved for executing the proposed **Mitigation of Mangan Landslide at North District Headquarters - Mangan, North Sikkim**. Hence, the Contractor shall include the cost of works required for the full & entire execution and completion of the works as shown in Architectural/Structural & other infrastructural & services drawings duly approved by the Secretary, Land Revenue & Disaster management Department as tender drawings and also as described in the Technical Specification enclosed as Vol II of Tender document.
2. The tenderer is required to work out the item rate/cost for execution of the project as described in various drawings and scope of work independently and quote his price in the "ITEM - RATE CONTRACT FINANCIAL BID".
3. Before quoting item wise amount, the Contractor should have carefully examined and to have full knowledge of the general condition, general clauses, special clauses, special condition, specifications, schedule of finishes, detailed drawings and other documents forming part of the contract and also to have satisfied themselves as to the nature and character of the site, examine local facilities of access and all other relevant matter and details affecting the execution and completion of the works in accordance with the terms & conditions of the contract. No extra charges consequent of any misunderstanding or otherwise will be allowed, except where there needs to be changes in the scope of work due to unforeseen & unavoidable circumstances as defined in the tender document.
4. The items in the brief scope of work are indicative only. The tenderer should carefully examine the scope of work and the drawings and quote the item -rate offer accordingly. The tender must be filled in English and all entries written in ink. All prices to be filled in words and figures. A grand total wherever applicable should be written in figures and words. The tenderer with his dated signature should attest any correction.
5. The amount quoted by the tenderer in the tender shall include the cost of all labour, material, scaffolding, use/hire of tools, plants, centering, water and electricity used in the work, temporary water and electrical lines laid at site, heights, widths, depths, leads and lifts, disposal of surplus earth, filling with earth brought from outside, stores for materials, setting out and clearing the site, carriage, office etc.
6. The rates offered should be inclusive of all taxes.
